

Subject: International Air Transport Association (IATA) Dangerous Goods (DG) Regulation Update for 2007

Purpose: To inform shippers of IATA DG Regulation 48th Edition (2007) significant changes and amendments

Be Advised: The 48th edition of the IATA Dangerous Goods Regulations incorporates all amendments made by the Dangerous Goods Board and includes changes advised, at time of printing, by ICAO to the 2007-2008 Edition of the ICAO Technical Instructions.

Now available on the DG Homepage - Significant changes to the 48th Edition of the IATA Dangerous Goods Regulations. This file is a downloadable PDF that will provide you with all of the key changes that will be effective January 1, 2007. These changes are highlighted section by section which will guide you through the majority of the critical points you will need to consider for your dangerous goods shipments.

Also new on the DG Homepage - a fillable Shipper's Declaration form in PDF format. This document is downloadable and will allow you to complete a Shipper's Declaration with all of the required information, then print to a color printer enabling you to meet the requirements of DGR Section 8.
